

The attached bulletin board material (page 2) is best reproduced on a color laser printer. The image will suffer greatly, if a laser printer is not used. If additional copies are needed, a color original may be printed on a laser printer and the color original can then be copied on a color copier. (Fedex Kinkos can provide color laser prints at \$0.99 and color copier prints at \$0.49, prices effective September, 2008.)
